Good morning everyone,

We're anticipating a good-sized turnout for our meeting tomorrow. I'm attaching the day agenda along with a contact list of all the agency people who are attending. The meeting agenda is included on the back.

Please be aware there is spotty cell phone coverage in the area, and I don't think there is any at the Grange.

Some of you had expressed interest in seeing the map we'll have at the meeting, so I've included a compressed version along with the announcement flyer for those of you who haven't seen it.

We'll see you all at 3:00 for the pre-meeting huddle in Veneta.

Thanks for all of your help in this effort,  
Karen
